

Audioguide Winterthur

Free for your mobile phone.

The audioguide from House of Winterthur provides you an individual guided tour with your mobile phone. Accompanied with the previous town master mason Carl Wilhelm Bareiss and our science student Anna Wölfflin you can discover Winterthur whenever you like. In 27 short and entertaining chapters you will get to know interesting facts about the 6th biggest city of Switzerland.

For your orientation and navigation the audioguide city map supports you in the old town. You decide when and where you stop and listen to the audioguide.
